for older people
in Gateshead
2011-2012

About this leaflet

This leaflet has been produced by the commissioning section of Gateshead Council and gives details of registered residential and nursing homes for people over the age of 65 years in Gateshead, a map showing where they are, and a list of useful contacts.

We have highlighted the care available at each home as follows:

- social care
- social care dementia
- nursing general
- nursing care dementia
- usually male
- usually female

If you are looking for a placement, have additional needs and want to know if the home would meet these, please contact your social worker who will be able to help.

If you do not currently have a social worker, contact Adult Social Care Direct on **0191 433 7033** they will be happy to help you.

In addition, the Care Quality Commission (CQC) has inspection reports and details of all residential and nursing homes in the area they are able to give advice and any additional information - see our useful contacts information at the back of the leaflet for details.
