

Personal Education Plan Part A - Section 2

The young person's views about school

School may not be the greatest fun ever. But it is important.

Over the next few pages, this form will ask you to talk about your education and your school.

Your answers will help us in our aim to make school a good experience for you.

So do what you can to fill the form in, but remember it is up to you what information goes in here. Do not give answers just because you think that is what we want to hear. Be as honest as you can when answering the questions, it will help us but it will help you more.
