Introduction

Paragraph 33 of the Welfare Reform Act 2012 abolished Council Tax Benefit from 1st April 2013, and Schedule 4 to the Local Government Finance Bill 2012 inserts Schedule 1A into the Local Government Finance Act 1992. This schedule makes provision for local authorities to devise their own schemes for local Council Tax reductions, to assist people on low incomes in paying their Council Tax. This document sets out the Gateshead Local Council Tax Support scheme for the financial year commencing 1st April 2019.

The Secretary of State in exercise of the powers conferred by section 113(2) of, and paragraph 2 of Schedule 1A to the Local Government Finance Act 1992, has prescribed some mandatory features which must be incorporated into Gateshead’s local scheme and these are contained within the Council Tax Reduction Schemes (Prescribed Scheme) (England) Regulations 2013, as amended by SI 3181 of 2013, SI 3312 of 2014, SI643 of 2015, SI 2041 of 2015, SI 1262 of 2016, SI 204 of 2017, SI 1305 of 2017 and SI 1346 of 2018. This scheme includes those matters set out in the prescribed regulations.

It is a legislative requirement that those of Pension Age continue to receive support of up to 100% of their council tax bill, depending on their income. The legislation sets out the definition of pensioner for the purposes of the scheme. Those not defined as pensioners are by default defined as working age. The features set out in this scheme which relate to persons of working age, and which are not included in the prescribed regulations, have been determined by Gateshead Council. Any omission from this document in relation to the Gateshead Local Council Tax Support Scheme or items not specifically mentioned will not invalidate the scheme or the individual reduction awarded.

Gateshead Council’s scheme is based upon a means test, taking into account the needs and income of the applicant in order to establish a figure which will then be applied as a discount.

Calculation Amounts

The figures used in calculating the level of reduction under this scheme for those of working age will be set by Gateshead Council. This includes figures relating to applicable amounts, premia, non-dependant deductions and, where state benefits are used in the calculation, any changes to these as made by the Secretary of State. Additionally, it includes any changes to tax and national insurance rates, and any rates used in the calculation of self-employed earnings. The council can apply a percentage to state benefits to reflect changes made by the Secretary of State. Where the council has determined a figure to be used in the calculation, the council may amend or alter these figures annually, or when deemed appropriate. The scheme also allows for any clerical errors or typing errors to be corrected during its life.

For the year commencing 1st April 2019, Gateshead Council has determined that those of working age can receive support to the value of a maximum of 91.5% of their council tax bill, depending on their income.

Principles of the scheme

Gateshead’s scheme is based on eight principles:

1. Protection will be given to certain groups – pensioners will be able to receive maximum help of up to 100% of their bill, depending on their circumstances and so are protected from any increase in the amount they pay because of the introduction of the scheme.

2. The scheme should encourage people to work – when working out entitlement to Local Council Tax Support part of a person’s earnings will be ignored. For those of working age £10 of a single person’s earnings and £15 of a couple’s earnings will be ignored. For those of pension age, £5 of a single person’s earnings and £10 of a couple’s earnings will be ignored. For a lone parent, £25 of any earnings will be ignored.
3. Everyone in the household should contribute – any support payable may be reduced where another adult lives in the household who is not the claimant’s partner. The amount of reduction will depend on the gross income of the other adult. For those of working age, no reduction will be made unless the Council Tax payer is the person who qualifies for assistance.

4. Benefit should not be paid to those with relatively large capital or savings – any capital below £6000 will be ignored for working age people and below £10,000 for those of pension age. Anyone with capital above £16,000 will not get help under the scheme unless they get Guarantee Pension Credit. An adjustment will be made to the level of support if a person has capital between £6,000/£10,000 and £16,000.

5. War pensions will be ignored in working out the level of support

6. There will be a minimum level of support – for those of working age, if the level of support would be less than £1 a week, no reduction will be made to the Council Tax bill.

7. Child Benefit will be ignored in working out the level of support

8. There will be the ability to award a discretionary reduction if the council considers someone needs extra support in exceptional circumstances

**Changes to the scheme**

Gateshead Council may make changes to this scheme at any time where the government makes welfare and benefits changes, or legislative changes that could have an impact on the scheme, and that affect the income that people have. The aim would be to ensure that those affected by government changes that have an impact on the scheme, do not see the amount of Council Tax Support increase or decrease significantly because of this. Changes would be made when there is evidence of a negative impact on Council Tax Support claimants, when the sustainability of the scheme is put at risk, when the principles underlying the scheme are affected, to keep the scheme in line with changes to other benefits and to remove complexities for claimants.

In line with these objectives, a number of minor adjustments have been made to the scheme where legislative changes or government policy change, or the wording of the scheme, is having an impact as set out in the preceding paragraph. These changes are mainly in relation to how the scheme operates for those claimants in receipt of Universal Credit and are intended to ensure the scheme operates in the way it was intended in light of changes to Universal Credit practices. The changes include the ability to disregard help towards childcare costs, for which an element is included in the Universal Credit award as a payment. This element will be disregarded when calculating Council Tax Support. A further change is to ensure an earnings disregard of £10 for single people without children and £15 for couples without children is applied to Universal Credit claimants. A further additional earnings disregard of £17.10 will also be applied to those Universal Credit claimants who meet certain criteria based on hours worked. When the government removed work allowances from the Universal Credit calculation for these groups, it meant that all earnings were taken into account and this eroded the principle that the scheme should encourage people to work. These changes ensure the scheme is operating as intended based on the underlying principles.

**General Provisions** The Council delegates the power to make and bring effect to the scheme to the Chief Financial Officer, and to officers duly authorised by him to do so in accordance with the council’s constitution, and also to make changes to the scheme to reflect government and legislative changes and whatever other changes the Chief Financial Officer may deem appropriate. The Council may also revise or replace the scheme annually in addition to making changes as set out in the “Changes to the scheme” paragraph.

**Fraud**

The council will actively make checks for the prevention and detection of fraud.

(ciii) where this paragraph applies, substitute for the amount in paragraph (1)(c) an amount determined in accordance with paragraph 2 of Schedule 3 in respect of any child or young person for whom he or a partner of his is responsible and who is a member of the same household and in respect of whom the individual element of child tax credit has been included in the determination of the maximum rate of that credit. In this regulation “polygamous unit” has the same meaning as in regulation 2 of the Tax Credits (Polygamous Marriages) Regulations 2003.

(d) if he or another partner of the polygamous marriage is responsible for a child or young person who is a member of the same household, the amount specified in Part 2 of that Schedule (family premium). This applies unless he has made a new application for Local Council Tax Support on or after 1st May 2016, or if he is an existing Local Council Tax Support claimant who has a new child born on or after 1st April 2018

(e) the amount of any premiums which may be applicable to him determined in accordance with Parts 3 and 4 of that Schedule (premiums);

(f) the amount of either the—
   (i) work-related activity component; or
   (ii) support component,

which may be applicable to him in accordance with Part 5 and 6 of that Schedule (the components);

(g) the amount of any transitional addition which may be applicable to him in accordance with Parts 7 and 8 of that Schedule (transitional addition).

Applicable amount: persons who are not pensioners who have an award of universal credit

27.—(1) In determining the applicable amount for a week of a person who is not a pensioner—
   (a) who has, or
   (b) whose partner has, or
   (c) who (jointly with his partner) has,
an award of universal credit, the authority will use the calculation or estimate of the maximum amount of the applicant, or the applicant’s partner, or the applicant and his partner jointly (as the case may be), subject to the adjustments described in subparagraphs (3) and (4)).

(2) In determining the applicable amount for a week of an applicant who is a member of a polygamous marriage, the fact that two people are husband and wife is to be disregarded if-
   (a) one of them is a party to an earlier marriage that still subsists; and
   (b) the other party to that earlier marriage is living in the same household.

(3) The maximum amount is then multiplied by 12 and the product of this divided by 52.

(4) In this paragraph “maximum amount” means the maximum amount calculated by the Secretary of State in accordance with section 8(2) of the Welfare Reform Act 2012.

PART 7

(b) B is the number of days in that financial year.

less any deductions in respect of non-dependants which fall to be made under paragraph 30 (non-dependant deductions: pensioners).

(2) In calculating a person’s maximum council tax reduction under the authority’s scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under that authority’s scheme), will be taken into account.

(3) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons in determining the maximum council tax reduction in his case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(4) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, sub-paragraph (3) shall not apply in his case.

(5) The reference in sub-paragraph (3) to a person with whom an applicant is jointly and severally liable for council tax does not include a student to whom paragraph 76 (1) (entitlement of students to a reduction under this scheme) applies.

(6) In this paragraph “relevant financial year” means, in relation to any particular day, the financial year within which the day in question falls.

29 Maximum council tax reduction amount under this scheme: persons who are not pensioners

(b) plus any additional amount up to 100 per cent of the amount A/B where—

(i) A is the amount set by the authority as the council tax for the relevant financial year in respect of the dwelling in which he is a resident and for which he is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act; and

(ii) B is the number of days in that financial year; or

(c) where any amount already calculated under Class A, B, C, 1 or 2 is nil or there is no entitlement, any amount up to 100 per cent of the amount A/B where—

(i) A is the amount set by the authority as the council tax for the relevant financial year in respect of the dwelling in which he is a resident and for which he is liable, subject to any discount which may be appropriate to that dwelling under the 1992 Act; and

(ii) B is the number of days in that financial year; or

29C. Subject to paragraph 29D, if a person falls within Class 3B, the amount of a person’s maximum council tax reduction in a day is 100 per cent of the council tax due in respect of that day.

29D. (1) In calculating a person’s maximum council tax reduction under this scheme any reduction in the amount that person is liable to pay in respect of council tax, which is made in consequence of any enactment in, or made under, the 1992 Act (other than a reduction under this scheme), is to be taken into account.

(2) Subject to sub-paragraph (4), where an applicant is jointly and severally liable for council tax in respect of a dwelling in which he is resident with one or more other persons, in determining the maximum council tax reduction in his case in accordance with sub-paragraph (1), the amount A is to be divided by the number of persons who are jointly and severally liable for that tax.

(3) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner,
30. (1) Subject to the provisions of this paragraph, the non-dependant deductions in respect of a day referred to in paragraph 28 are:

   (b) in respect of a non-dependant aged 18 or over to whom sub-paragraph (a) does not apply, £4.00 x 1/7.
(2) In the case of a non-dependant aged 18 or over to whom sub-paragraph (1)(a) applies, where it is shown to the appropriate authority that his normal gross weekly income is—
   (a) less than £207.70, the deduction to be made under this paragraph is that specified in sub-paragraph (1)(b);
   (b) not less than £207.70 but less than £360.10, the deduction to be made under this paragraph is £8.10;

(3) No deduction shall be made in respect of a non-dependant who is entitled to an award of universal credit where the award is calculated on the basis that the person does not have any earned income.

32. (1) Only one deduction shall be made under this paragraph in respect of a couple or, as the case may be, members of a polygamous marriage and, where, but for this paragraph, the amount that would fall to be deducted in respect of one member of a couple or polygamous marriage is higher than the amount (if any) that would fall to be deducted in respect of the other, or any other, member, the higher amount shall be deducted.
(2) In applying the provisions of sub-paragraph (2) of paragraph 30, in the case of a couple or, as the case may be, a polygamous marriage, regard must be had, for the purpose of those sub-paragraphs, to the couple’s or, as the case may be, all members of the polygamous marriage’s joint weekly gross income.
(3) Where in respect of a day—
   (a) a person is a resident in a dwelling but is not himself liable for council tax in respect of that dwelling and that day;
   (b) other residents in that dwelling (the liable persons) have joint and several liability for council tax in respect of that dwelling and that day otherwise than by virtue of section 9 of the 1992 Act (liability of spouses and civil partners); and
   (c) the person to whom paragraph (a) refers is a non-dependant of two or more of the liable persons, the deduction in respect of that non-dependant shall be apportioned equally between those liable persons.

(3) Where an applicant is jointly and severally liable for council tax in respect of a dwelling with only his partner, solely by virtue of section 9 of the 1992 Act (liability of spouses and civil partners), sub-paragraph (2) shall not apply in his case.

PART 9
Amount of reduction under this scheme

Amount of reduction under this scheme: Classes A to C and 1 to 3
34.—(1) Where a person is entitled to a reduction under a scheme in respect of a day, the amount of the reduction to which he is entitled is as follows.

PART 10

Income and Capital for the purposes of calculating eligibility for a reduction under this scheme and the amount of reduction

CHAPTER 1

General

Calculation of income and capital: applicant’s family and polygamous marriages

35.—(1) The income and capital of—
   (a) an applicant; and
   (b) any partner of that applicant,
is to be calculated in accordance with the provisions of this Part.
(2) The income and capital of any partner of the applicant is to be treated as income and capital of the applicant, and in this Part any reference to the applicant applies equally to any partner of that applicant.
(3) Except where there is an award of Universal Credit, where an applicant or the partner of an applicant is married polygamously to two or more members of his household—
   (a) the applicant must be treated as possessing capital and income belonging to each such member; and
   (b) the income and capital of that member is to be calculated in accordance with the following provisions of this Part in like manner as for the applicant.

Circumstances in which capital and income of non-dependant is to be treated as applicant’s

36.—(1) Sub-paragraph (2) applies where it appears to the authority that a non-dependant and an applicant have entered into arrangements in order to take advantage of this scheme and the non-dependant has more capital and income than the applicant.
(2) Except where—
   (a) the applicant is a pensioner and is on guarantee credit, or
   (b) the applicant is not a pensioner and is on income support, an income-based jobseeker’s allowance or an income-related employment and support allowance,
the authority will treat the applicant as possessing capital and income belonging to that non-dependant and, in such a case, any capital and income which the applicant does possess is to be disregarded.
(3) Where an applicant is treated as possessing capital and income belonging to a non-dependant under sub-paragraph (2) the capital and income of that non-dependant must be calculated in accordance with the following provisions of this Part in like manner as for the applicant and, except where the context otherwise requires, any reference to the “applicant” is to be construed for the purposes of this Part as if it were a reference to that non-dependant.

CHAPTER 2

Income

Applicant in receipt of guarantee credit

37. In the case of an applicant who is in receipt, or whose partner is in receipt, of a guarantee credit, the whole of his capital and income must be disregarded.
Calculation of applicant’s income in savings credit only cases

38.—(1) In determining the income and capital of an applicant who has, or whose partner has, an award of state pension credit comprising only the savings credit, subject to the following provisions of this paragraph, an authority must use the calculation or estimate of the applicant’s or as the case may be, the applicant’s partner’s income and capital made by the Secretary of State for the purpose of determining the award of state pension credit.

(2) Where the calculation or estimate provided by the Secretary of State included the amount taken into account in that determination in respect of net income, the authority may only adjust that amount so far as necessary to take into account—

(a) the amount of any savings credit payable;

(b) in respect of any dependant children of the applicant, child care charges taken into account under paragraph 59 (1)(c) (calculation of income on a weekly basis);

(c) the higher amount disregarded under this scheme in respect of—

(i) lone parent’s earnings; or

(ii) payments of maintenance, whether under a court order or not, which is made or due to be made by—

(aa) the applicant’s former partner, or the applicant’s partner’s former partner; or

(bb) the parent of a child or young person where that child or young person is a member of the applicant’s family except where that parent is the applicant or the applicant’s partner;

(d) any amount to be disregarded by virtue of paragraph 10(1) of Schedule 5 (sums disregarded from applicant’s earnings: pensioners) to these Regulations;

(e) the income and capital of any partner of the applicant who is treated as a member of the applicant’s household under paragraph 8, to the extent that it is not taken into account in determining the net income of the person claiming state pension credit;

(f) paragraph 36 (circumstances in which income of a non-dependant is to be treated as applicant’s), if the authority determines that that provision applies in the applicant’s case;

(g) such further reduction (if any) as the authority thinks fit under section 13A(1)I of the 1992 Act;

(h) any amount to be disregarded by virtue of paragraph 6 of Schedule 6 (exempt work).

(i) any amount to be disregarded by virtue of paragraph 25 of Schedule 6.

(3) Paragraphs 41 to 48 (calculation of income: pensioners) and 59 to 64 (calculation of income: pensioners and persons who are not pensioners do not apply to the amount of the net income to be taken into account under sub-paragraph (1), but do apply (so far as relevant) for the purpose of determining any adjustments to that amount which the authority makes under sub-paragraph (2).

(4) If sub-paragraph (5) applies, the authority will calculate the applicant’s capital in accordance with paragraphs 66, 68 to 71 and 73.

(5) This sub-paragraph applies if—

(a) the Secretary of State notifies the authority that the applicant’s capital has been determined as being £16,000 or less;

(b) subsequent to that determination the applicant’s capital rises to more than £16,000; and

(c) the increase occurs whilst there is in force an assessed income period within the meaning of sections 6 and 9 of the State Pension Credit Act 2002.

CHAPTER 3
Calculation of income and capital: persons who have an award of Universal Credit or who have been assessed for Universal Credit

39.—(1) In determining the income of an applicant—

(a) who has, or

(b) whose partner has, or

(c) who (jointly with his partner) has,

an award of universal credit the authority will, subject to the following provisions of this paragraph, use the calculation or estimate of the income of the applicant, or the applicant’s partner, or the applicant and his partner
jointly (as the case may be), made by the Secretary of State for the purpose of determining that award before
the application of any work allowances.
(2) The authority must adjust the amount of income referred to in sub-paragraph (1) by multiplying the amount
by 12 and dividing the product by 52.
(3) The authority may only further adjust the amount of income provided by the Secretary of State to take into
account—
(a) the amount of any universal credit payable determined in accordance with sub-paragraph (4), (5)
and (6);
(b) paragraph 36 (income and capital of non-dependant to be treated as applicant’s), if the authority
determines that provision applies;
(c) where the Secretary of State has included earnings in the calculation of the award of Universal Credit
the following amounts shall be disregarded from those earnings:
(i) £10 for a single Universal Credit claimant with no children
(ii) £15 for a couple who are Universal Credit claimants with no children
(iii) £17.10 for any claimant where:
   a) the applicant, or if he has a partner, either the applicant or his partner, is a person to
      whom regulation 20(1)(c) of the Working Tax Credit (Entitlement and Maximum Rate)
      Regulations 2002 applies; or
   b) the applicant—
      (aa) at least one member of that couple is engaged in remunerative
          work for on average not less than 16 hours per week; and
      (bb) his family includes at least one child or young person,
   (iii) is a lone parent who is engaged in remunerative work for on average not
          less than 16 hours per week; or
   (iv) is, or if he has a partner, one of them is, engaged in remunerative work for
          on average not less than 16 hours per week and paragraph 5(1) above is
          satisfied in respect of that person.
(d) such further reduction as the authority thinks fit in accordance with this scheme or under section
13A(1)(C) of the 1992 Act (power of billing authority to reduce the amount of council tax payable).
(4) The amount of any Universal Credit payable means the amount the claimant would be entitled to, had there
been no deductions from the award because of: court fines; fraud penalties; sanctions; advances; mortgage
interest, rent, fuel, water, council tax or maintenance arrears; social fund or hardship repayments;
overpayments of other benefits and housing benefit; Alternative Payments to a landlord.
(5) Where a Universal Credit claimant is subject to the Benefit Cap, the reduced amount of Universal Credit
payable after the cap is applied will be used in the Local Council Tax Support calculation.
(6) Where a Universal Credit claimant has a childcare element included in their Universal Credit award, the
amount of any such childcare element will be disregarded from any earnings used in the calculation of Local
Council Tax Support up to a maximum of the value of the earnings.
(7) The amount of any universal credit award to be taken into account for the purposes of sub-paragraph (3)(a)
is to be determined by multiplying the award of universal credit by 12 and dividing by 52.
(8) In determining the capital of an applicant—
   (a) who has, or
   (b) whose partner has, or
   (c) who (jointly with his partner) has,
an award of universal credit, the authority will use the calculation or estimate of the capital of the applicant,
the applicant’s partner or the applicant and his partner jointly (as the case may be) made by the Secretary of
State for the purpose of determining that award.
(9) Where a claimant has had an award of Universal Credit assessed, the effective date of any change to that
Universal Credit award will be the start of the assessment period.
(10) Where Council Tax Support is awarded as a result of the Council receiving an electronic communication to
this effect from the Department of Work and Pensions, the effective date will be from the start of the
assessment period the electronic record relates to.
(11) Where a claimant who is in receipt Universal Credit under the Live Service has that award reduced to nil, or Universal Credit ends, because the level of earnings is too high, they shall still be deemed to be a Universal Credit claimant for a period of 6 months from the date the award reduced to nil or ended. During this period, the income used for the calculation of Universal Credit will be used to calculate Local Council Tax Support. If during this period, there is a change of circumstances which results in Universal Credit being payable again, this will be treated as a change of circumstances and will not require a new claim to Local Council Tax Support. This will apply even where the award of Local Council Tax Support had been reduced to nil.

(7) For the avoidance of doubt—
(a) a deduction must not be made under paragraph (2)(a) or (3) in respect of any sum unless it has been expended for the purposes of the business;

(9) Where the claimant is a person who is not a pensioner, and the net profit from self-employment calculated in accordance with subparagraphs (1) to (7) based on the number of hours stated to be worked, falls to be below the amount specified by the Secretary of State as the national minimum wage, or Living Wage, whichever is more, for that age of person, the net profit will be calculated by multiplying the number of hours stated to be worked by the amount specified by the Secretary of State as the national minimum wage or Living Wage, whichever is more, for that age of person, less—
   (a) an amount in respect of—
      (i) income tax; and

This can only be the case for one period of 12 months within a period of 5 years starting on the date on which the new business commences.

(2) But, if the assessment period is less than a year, the earnings to which the basic rate, or the Scottish basic rate of tax is to be applied and the amount of the personal reliefs deductible under this paragraph must be calculated on a pro rata basis.

(3) The amount to be deducted in respect of national insurance contributions under paragraph 64 (1)(b)(i), (2)(b)(ii), (8)(a)(ii) or (9)(a)(ii) is the total of—
(a) the amount of Class 2 contributions payable under section 11(2) or, as the case may be, 11(8) of the SSCBA at the rate applicable to the assessment period except where the applicant’s chargeable income is less than the amount specified in section 11(4) of that Act (small profits threshold) for the tax year applicable to the assessment period; but if the assessment period is less than a year, the amount specified for that tax year must be reduced pro rata; and
(b) the amount of Class 4 contributions (if any) which would be payable under section 15 of the SSCBA (Class 4 contributions recoverable under the Income Tax Acts) at the percentage rate applicable to the assessment period on so much of the chargeable income as exceeds the lower limit but does not exceed the upper limit of profits and gains applicable for the tax year applicable to the assessment period; but if the assessment period is less than a year, those limits must be reduced pro rata.

(4) In this paragraph “chargeable income” means—
(a) except where paragraph (b) applies, the earnings derived from the employment less any expenses deducted under sub-paragraph (3)(a) or, as the case may be, (3) of paragraph 64;
(b) in the case of employment as a child minder, one-third of the earnings of that employment;
(c) in a case where a person is not a pensioner, and the net profit from self-employment calculated in accordance with sub-paragraphs (1) to (7) based on the number of hours stated to be worked, falls to be below the amount specified by the Secretary of State as the national minimum wage or Living Wage, whichever is more, for that age of person, and the business is not a new business within the first 12 months of trading, the amount arrived at by multiplying the number of hours stated to be worked by the amount specified by the Secretary of State as the national minimum wage or Living Wage, whichever is more, for that age of person.

(5) In such a case the amount of reduction in the amount of the capital which he is treated as possessing for the purposes of sub-paragraph (1)(b) is equal to the aggregate of—

(6) But if the amount mentioned in paragraph (a), (b), (c), (d), or (e) of sub-paragraph (5) (“the relevant amount”) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
   (a) dividing the relevant amount by the number equal to the number of days in that part week, and
   (b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) must be re-determined under that sub-paragraph if the applicant makes a further application for a reduction in council tax under the authority’s scheme and the conditions in sub-paragraph (8) are satisfied, and in such a case -
   (a) paragraphs (a) to (e) of sub-paragraph (5) shall apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and
   (b) subject to sub-paragraph (9), the amount as re-determined shall have effect from the first week following the relevant subsequent week in question.

(8) The conditions are that—

   (b) the applicant would have been entitled to a reduction under the authority’s scheme but for paragraph 70(1).

(9) The amount as re-determined pursuant to sub-paragraph (7) shall not have effect if it is less than the amount which applied in that case immediately before the redetermination and in such a case the higher amount shall continue to have effect.

(10) For the purposes of this paragraph—
   “part-week”—

(a) in the case of a week that is subsequent to—
(i) the relevant week in respect of which the conditions set out in subparagraph (2) are satisfied;
or
(ii) a week which follows that relevant week and which satisfies those conditions, is to be reduced by an amount determined under sub-paragraph (3) or (4);
(b) in the case of a week in respect of which sub-paragraph (1)(a) does not apply but where—
(i) that week is a week subsequent to the relevant week; and
(ii) that relevant week is a week in which the condition in sub-paragraph (5) or (8) is satisfied,

(3) In a case to which sub-paragraph (2) applies, the amount of the reduction in the amount of capital he is treated as possessing for the purposes of sub-paragraph (1)(a) is equal to the aggregate of—
(a) an amount equal to the additional amount of the reduction in council tax to which sub-paragraph (2)(b) refers;
(b) where the applicant has also claimed housing benefit, the amount of any housing benefit or any additional amount of that benefit to which he would have been entitled in respect of the whole or part of the reduction week to which subparagraph (2) refers but for the application of regulation 49(1) of the Housing Benefit Regulations (notional capital);
(c) where the applicant has also claimed income support, the amount of income support to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 51(1) of the Income Support (General) Regulations 1987 (notional capital);

(e) where the applicant has also claimed an employment and support allowance, the amount of an income-related employment and support allowance to which he would have been entitled in respect of the whole or part of the reduction week to which sub-paragraph (2) refers but for the application of regulation 115 of the Employment and Support Allowance Regulations 2008 (notional capital).
(4) Subject to sub-paragraph (7), for the purposes of paragraph (1)(b) the condition is that the applicant would have been entitled to a reduction in council tax in the relevant week but for paragraph 70(1).
(5) In such a case the amount of the reduction in the amount of capital he is treated as possessing must be equal to the aggregate of—
(a) the amount of council tax benefit to which the applicant would have been entitled in the relevant week but for paragraph 70(1);
(b) if the applicant would, but for regulation 49(1) of the Housing Benefit Regulations 2006, have been entitled to housing benefit or to an additional amount of housing benefit in respect of the benefit week which includes the last day of the relevant week, the amount which is equal to—
   (i) in a case where no housing benefit is payable, the amount to which he would have been entitled; or

(6) But if the amount mentioned in paragraph (a), (b), (c), (d) or (e) of sub-paragraph (5) (‘the relevant amount’) is in respect of a part-week, the amount that is to be taken into account under that paragraph is to be determined by—
(a) dividing the relevant amount by the number equal to the number of days in that part-week, and
(b) multiplying the result of that calculation by 7.

(7) The amount determined under sub-paragraph (5) is to be re-determined under the appropriate sub-paragraph if the applicant makes a further claim for a reduction in council tax and the conditions in sub-paragraph (8) are satisfied, and in such a case—
(a) paragraphs (a) to (e) of sub-paragraph (5) apply as if for the words “relevant week” there were substituted the words “relevant subsequent week”; and

   “part-week”—

(h) intended for the child care costs of a child dependant;
(i) of higher education bursary for care leavers made under Part 3 of the Children Act 1989.

(3) Where a student does not have a student loan and is not treated as possessing such a loan, there must be excluded from the student’s grant income—
(a) the sum of £303 per academic year in respect of travel costs; and
(b) the sum of £390 per academic year towards the costs of books and equipment, whether or not any such costs are incurred.

(4) There must also be excluded from a student’s grant income the grant for dependants known as the parents’ learning allowance paid pursuant to regulations made under Article 3 of the Education (Student Support) Northern Ireland) Order 1998 or section 22 of the Teaching and Higher Education Act 1998.

(5) Subject to sub-paragraphs (6) and (7), a student’s grant income must be apportioned—
(a) subject to sub-paragraph (8), in a case where it is attributable to the period of study, equally between the weeks in that period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period of study and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study;
(b) in any other case, equally between the weeks in the period beginning with the reduction week, the first day of which coincides with, or immediately follows, the first day of the period for which it is payable and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period for which it is payable.

(6) Any grant in respect of dependants paid under section 63(6) of the Health Services and Public Health Act 1968 (grants in respect of the provision of instruction to officers of hospital authorities) and any amount intended for the maintenance of dependants under Part 3 of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 must be apportioned equally over the period of 52 weeks or, if there are 53 reduction weeks (including part-weeks) in the year, 53.

(7) In a case where a student is in receipt of a student loan or where he could have acquired a student loan by taking reasonable steps but had not done so, any amount intended for the maintenance of dependants to which
neither sub-paragraph (6) nor paragraph 83(2) (other amounts to be disregarded) applies, must be apportioned over the same period as the student’s loan is apportioned or, as the case may be, would have been apportioned. 

(8) In the case of a student on a sandwich course, any periods of experience within the period of study must be excluded and the student’s grant income must be apportioned equally between the weeks in the period beginning with the reduction week, the first day of which immediately follows the last day of the period of experience and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the period of study.

**Calculation of covenant income where a contribution is assessed**

80.—(1) Where a student is in receipt of income by way of a grant during a period of study and a contribution has been assessed, the amount of his covenant income to be taken into account for that period and any summer vacation immediately following must be the whole amount of the covenant income less, subject to sub-paragraph (3), the amount of the contribution.

(2) The weekly amount of the student’s covenant must be determined—

(a) by dividing the amount of income which falls to be taken into account under sub-paragraph (1) by 52 or 53, whichever is reasonable in the circumstances; and

(b) by disregarding £5 from the resulting amount.

(3) For the purposes of sub-paragraph (1), the contribution must be treated as increased by the amount (if any) by which the amount excluded under paragraph 79(2)(g) (calculation of grant income) falls short of the amount specified in paragraph 7(2) of Schedule 2 to the Education (Mandatory Awards) Regulations 2003 (travel expenditure).

(b) any covenant income, up to the amount of the standard maintenance grant, which is not so disregarded, must be apportioned equally between the weeks of the period of study; and

(c) there must be disregarded from the amount so apportioned the amount which would have been disregarded under paragraph 79(2)(f) and (3) (calculation of grant income) had the student been in receipt of the standard maintenance grant; and

(d) the balance, if any, must be divided by 52 or 53 whichever is reasonable in the circumstances and treated as weekly income of which £5 must be disregarded.

(2) Where a student is in receipt of income by way of a grant and no contribution has been assessed, the amount of his covenanted income must be calculated in accordance with sub-paragraphs (a) to (d) of sub-paragraph (1), except that—

(a) the value of the standard maintenance grant must be abated by the amount of such grant income less an amount equal to the amount of any sums disregarded under paragraph 79(2)(a) to (e); and

(b) the amount to be disregarded under sub-paragraph (1)(c) must be abated by an amount equal to the amount of any sums disregarded under paragraph 79(2)(f) and (g) and (3).

82. No part of a student’s covenant income or grant income shall be disregarded under paragraph 19 of Schedule 8.

**Other amounts to be disregarded**

83.—(1) For the purposes of ascertaining income other than grant income, covenant income and loans treated as income in accordance with paragraph 84 (treatment of student loans), any amounts intended for any
expenditure specified in paragraph 79 (2) (calculation of grant income), necessary as a result of his attendance on the course shall be disregarded.

(2) But sub-paragraph (1) applies only if, and to the extent that, the necessary expenditure exceeds or is likely to exceed the amount of the sums disregarded under paragraph 79 (2) or (3), 80(3), 81(1)(a) or (c) or 84 (5) calculation of grant income, covenant income and treatment of student loans) on like expenditure.

Treatment of student loans

84.—(1) A student loan is to be treated as income unless it falls within the definition of a Special Support Loan as brought into effect by the Education (Student Support) Regulations 2011. Any such loans are disregarded for the purposes of assessing Council Tax Support.

(2) In calculating the weekly amount of the loan to be taken into account as income—

(a) in respect of a course that is of a single academic year’s duration or less, a loan which is payable in respect of that period is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of the single academic year;

(ii) where the student is required to start attending the course in August or where the course is less than an first day of the course,

and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(b) in respect of an academic year of a course which starts other than on 1st September, a loan which is payable in respect of that academic year is to be apportioned equally between the weeks in the period—

(i) beginning with the reduction week, the first day of which coincides with or immediately follows, the first day of that academic year, and

(ii) ending with the reduction week, the last day of which coincides with or immediately precedes, the last day of that academic year,

but excluding any reduction weeks falling entirely within the quarter during which, in the opinion of the authority, the longest of any vacation is taken and for the purposes of this paragraph, “quarter” shall have the same meaning as for the purposes of the Education (Student Support) Regulations 2005;

(c) in respect of the final academic year of a course (not being a course of a single year’s duration), a loan which is payable in respect of that final academic year is to be apportioned equally between the weeks in the period beginning with—

(i) except in a case where sub-paragraph (ii) applies, the reduction week, the first day of which coincides with, or immediately follows, the first day of that academic year;

(ii) where the final academic year starts on 1st September, the reduction week, the first day of which coincides with, or immediately follows, the earlier of 1st September or the first day of the autumn term,

and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of the course;

(d) in any other case, the loan is to be apportioned equally between the weeks in the period beginning with the earlier of—

(i) the first day of the first reduction week in September; or

(ii) the reduction week, the first day of which coincides with, or immediately follows the first day of the autumn term,

and ending with the reduction week, the last day of which coincides with, or immediately precedes, the last day of June, and, in all cases, from the weekly amount so apportioned there shall be disregarded £10.

(3) A student is to be treated as possessing a student loan in respect of an academic year where—

(a) a student loan has been made to him in respect of that year; or

(b) he could acquire such a loan in respect of that year by taking reasonable steps to do so.

(4) Where a student is treated as possessing a student loan under sub-paragraph (3), the amount of the student loan to be taken into account as income must be, subject to sub-paragraph (5)—

(a) in the case of a student to whom a student loan is made in respect of an academic year, a sum equal to—
(i) the maximum student loan he is able to acquire in respect of that year by taking reasonable steps to do so; and
(ii) any contribution whether or not it has been paid to him;
(b) in the case of a student to whom a student loan is not made in respect of an academic year, the maximum student loan that would be made to the student if—
(i) he took all reasonable steps to obtain the maximum student loan he is able to acquire in respect of that year; and
(ii) no deduction in that loan was made by virtue of the application of a means test.
(5) There must be deducted from the amount of income taken into account under subparagraph (4)—
(a) the sum of £303 per academic year in respect of travel costs; and
(b) the sum of £390 per academic year towards the cost of books and equipment, whether or not any such costs are incurred.
(6) A loan for fees, known as a fee loan or fee contribution loan, made pursuant to regulations made under Article 3 of the Education (Student Support) (Northern Ireland) Order 1998, section 22 of the Teaching and Higher Education Act 1998 or section 73 (f) of the Education (Scotland) Act 1980, shall be disregarded as income.

(2) A payment from access funds, other than a payment to which sub-paragraph (3) applies, must be disregarded as income.
(3) Subject to sub-paragraph (4) of this paragraph and paragraph 40 of Schedule 8—

(b) any payments from access funds which are used for any council tax or water charges for which that applicant or member is liable,
must be disregarded as income to the extent of £20 per week.
(4) Where a payment from access funds is made—
(a) on or after 1st September or the first day of the course, whichever first occurs, but before receipt of any student loan in respect of that year and that payment is intended for the purpose of bridging the period until receipt of the student loan; or
(b) before the first day of the course to a person in anticipation of that person becoming a student, that payment must be disregarded as income.

**Disregard of contribution**

86. Where the applicant or his partner is a student and, for the purposes of assessing a contribution to the student’s grant or student loan, the other partner’s income has been taken into account, an amount equal to that contribution must be disregarded for the purposes of assessing that other partner’s income.

**Further disregard of student’s income**

87. Where any part of a student’s income has already been taken into account for the purposes of assessing his entitlement to a grant or student loan, the amount taken into account must be disregarded in assessing that student’s income.

**Income treated as capital**

88.—(1) Any amount by way of a refund of tax deducted from a student’s covenant income must be treated as capital.
(2) An amount paid from access funds as a single lump sum must be treated as capital.
(3) An amount paid from access funds as a single lump sum which is intended and used for an item other than food, ordinary clothing or footwear, household fuel or rent, or which is used for an item other than any council tax or water charges for which that applicant or member is liable, must be disregarded as capital but only for a period of 52 weeks from the date of the payment.
Disregard of changes occurring during summer vacation

89. In calculating a student’s income the authority must disregard any change in the standard maintenance grant, occurring in the recognised summer vacation appropriate to the student’s course, if that vacation does not form part of his period of study from the date on which the change occurred to the end of that vacation.

(2) Part 13 (period of entitlement, changes of circumstances and increases for exceptional circumstances) shall not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 93(1)(a) or paragraph 94(2) (amount of extended reduction: movers).

**Continuing reductions where state pension credit claimed**

96.—(1) This paragraph applies where—
(a) the applicant is entitled to a reduction under an authority’s scheme;
(b) sub-paragraph (2) is satisfied; and
(c) either—
(i) the applicant has attained the qualifying age for state pension credit; or
(ii) the applicant’s partner has actually claimed state pension credit.
(2) This sub-paragraph is only satisfied if the Secretary of State has certified to that authority that the applicant’s partner has actually claimed state pension credit or that—

(a) the applicant’s award of—

(i) income support has terminated because the applicant has attained the qualifying age for state pension credit; or

(ii) income-based jobseeker’s allowance or income-related employment and support allowance has terminated because the applicant has attained the qualifying age for state pension credit; and

(b) the applicant has claimed or is treated as having claimed or is required to make a claim for state pension credit.

(3) Subject to sub-paragraph (4), in a case to which this paragraph applies, a reduction under the authority’s scheme shall continue to be awarded for the period of 4 weeks beginning on the day following the day the applicant’s entitlement to income support or, as the case may be, income-based jobseeker’s allowance, income-related employment and support allowance, ceased, if and for so long as the applicant otherwise satisfies the conditions for entitlement to a reduction under that scheme.

(4) Where a reduction under that scheme is awarded for the period of 4 weeks in accordance with sub-paragraph (3) above, and the last day of that period falls on a day other than the last day of a reduction week, then a reduction under the scheme shall continue to be awarded until the end of the reduction week in which the last day of that period falls.

(5) Throughout the period of 4 weeks specified in sub-paragraph (3) and any further period specified in sub-paragraph (4)—

(a) the whole of the income and capital of the applicant shall be disregarded;

(b) the appropriate maximum council tax benefit of the applicant shall be that which was applicable in his case immediately before that period commenced.

(6) The maximum reduction shall be calculated in accordance with paragraph 29(1) (max council tax reduction under scheme) if, since the date it was last calculated—

(a) the applicant’s council tax liability has increased; or

(b) a change in the deduction under paragraph 30 (non-dependant deductions pensioners) falls to be made.

CHAPTER 2
Extended reductions: persons who are not pensioners

Extended reductions: persons who are not pensioners
97. Paragraphs 98 to 107 apply in relation to applicants who are not pensioners

Extended reductions: persons who are not pensioners
98.—(1) An applicant who is entitled to a reduction under this scheme by falling within classes 1 to 3 shall be entitled to an extended reduction where—

(a) the applicant or the applicant’s partner was entitled to a qualifying income related benefit; and

(b) entitlement to a qualifying income-related benefit ceased because the applicant or the applicant’s partner—

(i) commenced employment as an employed or self-employed earner;

(ii) increased their earnings from such employment; or

(iii) increased the number of hours worked in such employment, and that employment is or, as the case may be, those increased earnings or increased number of hours are expected to last five weeks or more; and

(c) the applicant or the applicant’s partner had been entitled to and in receipt of a qualifying income-related benefit, jobseeker’s allowance or a combination of those benefits for a continuous period of at least 26 weeks before the day on which the entitlement to a qualifying income-related benefit ceased.

(2) For the purpose of sub-paragraph (1)(c), an applicant or an applicant’s partner is to be treated as having been entitled to and in receipt of a qualifying income-related benefit or jobseeker’s allowance during any period of less than five weeks in respect of which the applicant or the applicant’s partner was not entitled to any of those benefits because the applicant or the applicant’s partner was engaged in remunerative work as a consequence of their participation in an employment zone programme.
(3) For the purpose of this paragraph, where an applicant or an applicant’s partner is entitled to and in receipt of joint-claim jobseeker’s allowance they shall be treated as being entitled to and in receipt of jobseeker’s allowance.

(4) An applicant must be treated as entitled to a reduction under this scheme by falling into classes **1 to 3** where—

(a) the applicant ceased to be entitled to a reduction under this scheme because the applicant vacated the dwelling in which the applicant was resident;
(b) the day on which the applicant vacated the dwelling was either in the week in which entitlement to a qualifying income-related benefit ceased, or in the preceding week; and
(c) entitlement to the qualifying income-related benefit ceased in any of the circumstances listed in sub-paragraph (1)(b).

(5) This paragraph does not apply where, on the day before an applicant’s entitlement to income support ceased, regulation 6(5) of the Income Support (General) Regulations 1987 (remunerative work: housing costs) applied to that applicant.

**Duration of extended reduction period: persons who are not pensioners**

99.—(1) Where an applicant is entitled to an extended reduction, the extended reduction period starts on the first day of the reduction week immediately following the reduction week in which the applicant, or the applicant’s partner, ceased to be entitled to a qualifying income-related benefit.

(2) For the purpose of sub-paragraph (1), an applicant or an applicant’s partner ceases to be entitled to a qualifying income-related benefit on the day immediately following the last day of entitlement to that benefit.

(3) The extended reduction period ends—

(a) at the end of a period of four weeks; or
(b) on the date on which the applicant to whom the extended reduction is payable has no liability for council tax, if that occurs first.

**Amount of extended reduction: persons who are not pensioners**

100.—(1) For any week during the extended reduction period the amount of the extended reduction to which an applicant is entitled is to be the higher of—

(a) the amount of the reduction under this scheme to which the applicant was entitled under classes 1 to 3 in the last reduction week before the applicant or the applicant’s partner ceased to be entitled to a qualifying income-related benefit;
(b) the amount of reduction under this scheme to which the applicant would be entitled under classes 1 to 3 for any reduction week during the extended reduction period, if paragraph 98 (extended reductions: persons who are not pensioners) did not apply to the applicant; or
(c) the amount of reduction under this scheme to which the applicant’s partner would be entitled under classes 1 to 3, if paragraph 98 did not apply to the applicant.

(2) Sub-paragraph (1) does not apply in the case of a mover.

(3) Where an applicant is in receipt of an extended reduction under this paragraph and the applicant’s partner makes a claim for a reduction under this scheme, no amount of reduction under this scheme is to be awarded by the authority during the extended reduction period.

**Extended reductions—movers within the local authority: persons who are not pensioners**

101.—(1) This paragraph applies—

(a) to a mover; and
(b) with the exception of sub-paragraph (3), from the Monday following the day of the move.

(2) The amount of the extended reduction awarded from the Monday from which this paragraph applies until the end of the extended reduction period is to be the amount of reduction under this scheme to which the mover was eligible for the last reduction week before the mover, or the mover’s partner, ceased to be entitled to a qualifying income-related benefit.

(3) Where a mover’s liability to pay council tax in respect of the new dwelling is to a billing authority other than Gateshead council, the extended reduction (qualifying contributory benefits) will cease from the date the liability for council tax ceases within Gateshead.
“the new dwelling” means the dwelling to which an applicant has moved, or is about to move, in which the applicant is or will be resident;

Relationship between extended reduction and entitlement to reduction under classes 1 to 3

102.—(1) Where an applicant’s reduction under this scheme would have ended when the applicant ceased to be entitled to a qualifying income-related benefit in the circumstances listed in paragraph 98(1)(b), that entitlement does not cease until the end of the extended reduction period.

(2) Paragraphs 104 and Paragraph 105 dates on which entitlement begins and change of circumstances take effect do not apply to any extended reduction (qualifying contributory benefits) payable in accordance with paragraph 100(1)(a) or 101(2).

CHAPTER 3

Extended reductions: movers in the authority’s area: pensioners and persons who are not pensioners

Extended reductions: movers into the authority’s area

103. Where—

(a) an application is made to the authority (“the current authority”) for a reduction under this scheme, and

(b) the applicant, or the partner of the applicant, is in receipt of an extended reduction from—

(i) another billing authority in England;

(ii) a billing authority in Wales;

the current authority must reduce any reduction to which the applicant is entitled under this scheme by the amount of that extended reduction.

PART 13

When entitlement begins and change of circumstances

Date on which entitlement begins and changes of circumstance: pensioners and persons who are not pensioners

104.—(1) Subject to sub-paragraph (2) and (3), any person to whom or in respect of whom an application for a reduction under this scheme is made and who is otherwise entitled to that reduction shall be so entitled from the reduction week following the date on which that application is made or is treated as made.

(2) Where a person is otherwise entitled to a reduction under this scheme and becomes liable for the first time for the authority’s council tax in respect of a dwelling of which he is a resident in the reduction week in which his application is made or is treated as made, he shall be so entitled from that reduction week.

(3) Where a person is in receipt of Local Council Tax Support as at 31st March 2019, the provisions of paragraph 119 apply, and any person to whom that paragraph applies, and who is otherwise entitled to a reduction, shall be so entitled from the date on which this scheme commences without the need to make a further application.

(4) Where a person is in receipt of Local Council Tax Support and Gateshead Council makes changes to the scheme as set out in the “Changes to the scheme” paragraph on page 3 of this document, that person will have their entitlement to Local Council Tax Support reassessed automatically if those changes affect them. Generally these changes will apply from the Monday following the date the change to the scheme takes effect, or any such date as specified by Gateshead Council.

(5) Where Gateshead Council is provided with information relating to earnings or an occupational pension that is derived from Her Majesties Revenues and Customs as part of Real Time Information, VEP or other data sharing arrangements, such information will be used for the assessment of entitlement under this scheme where allowable. Any change to entitlement arising as a result of the use of such information will take effect from such date as specified by Gateshead Council.

(6) Where an award is made under Class 3A (as set out in paragraph 18A - where the council considers some additional assistance is required towards Council Tax) the entitlement to any such award can start from any
Date after 1st April 2013 as deemed appropriate by the council, even if this precedes the start date of the current scheme.

Date on which a change of circumstances is to take effect: pensioners

105. Except in cases where paragraph 63 (disregard of changes in tax, contributions, etc) applies and subject to the following provisions of this paragraph and paragraph 106 (changes of circumstance where state pension credit is in payment), a change of circumstances which affects entitlement to, or the amount of, a reduction under an authority’s scheme (“change of circumstances”), takes effect from the first day of the reduction week following the date on which the change actually occurs.

(2) Where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs shall be the day immediately following the last day of entitlement to that benefit.

(3) Subject to sub-paragraph (4), where the change of circumstances is a change in the amount of council tax payable, it takes effect from the day on which it actually occurs.

(4) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under sections 11 or 12 of that Act, it shall take effect from the day on which the change in amount has effect.

(5) Where the change of circumstances is the applicant’s acquisition of a partner, the change takes effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of an applicant’s partner or their separation, it takes effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same reduction week would, but for this paragraph, take effect in different reduction weeks in accordance with sub-paragraphs (1) to (6) they take effect from the day to which the appropriate sub-paragraph from (3) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a benefit or an increase in the amount of a benefit under the SSCBA, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances shall take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(9) Without prejudice to sub-paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances takes effect from the first day on which such income, had it been timeously paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of this scheme.

(10) Sub paragraph (11) applies if –

   (b) either –

      (i) a non-dependant took up residence in the applicant’s dwelling; or
      (ii) there has been a change of circumstances in respect of a non-dependant so that the amount of the deduction that falls to be made under paragraph 30 (non-dependant deductions: pensioners) increased.

(11) Where this sub-paragraph applies, the change of circumstances referred to in sub-paragraph (10)(b) takes effect from the effective date.

(12) In sub-paragraph (11), but subject to sub-paragraph (13), the “effective date” means –

   (a) where more than one change of a kind referred to in sub-paragraph (10)(b) relating to the same non-dependant occurred since –

      (i) the date on which the applicant’s entitlement to a reduction under this scheme first began;

   or

      (ii) the date which was the last effective date in respect of such a change, whichever is the later, the date which falls 26 weeks after the date on which the first such change occurred;

   (b) where paragraph (a) does not apply, the date which falls 26 weeks after the date on which the change referred to in sub-paragraph (10)(b) occurred.
(13) If in any particular case the date determined under sub-paragraph (12) is not the first day of a reduction week, the effective date in that case is to be the first day of the next reduction week to commence after the date determined in that sub-paragraph.

(14) Where a change of circumstances results in a reduction reducing or ceasing, and the change occurs because the original discount was based on an error on the part of the council, and the person could not reasonably have been expected to realise that the discount was incorrect, the council may alter or end the discount from whatever date it deems appropriate.

(15) Where the change of circumstances relates to a Universal Credit claimant and is in respect of the start, end or change to a Universal Credit award, the effective date shall be as set out in Paragraph 39 of this scheme.

Change of circumstances where state pension credit in payment

106.—(1) Sub-paragraphs (2) and (3) apply where—
   (a) the applicant is also on state pension credit;
   (b) the amount of state pension credit awarded to him is changed in consequence of a change in the applicant’s circumstances; and
   (c) the change in the amount of state pension credit payable to the applicant results in a change in the amount of a reduction he receives under an authority’s scheme (“the scheme”).

(2) Where the change of circumstance is that an increase in the amount of state pension credit payable to the applicant results in—
   (a) an increase in the reduction he receives under the scheme, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the increased rate; or
   (b) a decrease in the reduction he receives under the scheme, the change takes effect from the first day of the reduction week next following the date on which—
      (i) the local authority receives notification from the Secretary of State of the increase in the amount of state pension credit; or
      (ii) state pension credit is increased, whichever is the later.

(3) Where the change of circumstance (“the relevant change”) is that the applicant’s state pension credit has been reduced and in consequence the reduction the applicant receives under the scheme reduces—
   (a) in a case where the applicant’s state pension credit is reduced because the applicant failed to notify the Secretary of State timeously of the change of circumstances, the change takes effect from the first day of the reduction week from which state pension credit was reduced; or
   (b) in any other case the change takes effect from the first day of the reduction week next following the date on which—
      (i) the authority receives notification from the Secretary of State of the reduction in the amount of state pension credit; or
      (ii) state pension credit is reduced, whichever is the later.

(4) Where the change of circumstance is that state pension credit is reduced and in consequence of the change, the amount of a reduction he receives under the scheme is increased, the change takes effect from the first day of the reduction week in which state pension credit becomes payable at the reduced rate.

(5) Where a change of circumstance occurs in that an award of state pension credit has been made to the applicant or his partner and this would result in a decrease in the amount of reduction he receives under the scheme, the change takes effect from the first day of the reduction week next following the date on which—
   (a) the authority receives notification from the Secretary of State of the award of state pension credit; or
   (b) entitlement to state pension credit begins, whichever is the later.

(6) Where, in the case of an applicant who, or whose partner, is or has been awarded state pension credit comprising only the savings credit, there is—
   (a) a change of circumstances of a kind described in any of sub-paragraphs (2) to (5) which results from a relevant calculation or estimate; and
   (b) a change of circumstances which is a relevant determination,
each of which results in a change in the amount of reduction the applicant receives under the scheme, the change of circumstances referred to in sub-paragraph (b) takes effect from the day specified in sub-paragraph (2), (3), (4) or (5) as the case may be, in relation to the change referred to in paragraph (a).

(7) Where a change of circumstance occurs in that a guarantee credit has been awarded to the applicant or his partner and this would result in an increase in the amount of a reduction the applicant receives under the scheme, the change takes effect from the first day of the reduction week next following the date in respect of which the guarantee credit is first payable.

(8) Where a change of circumstances would, but for this paragraph, take effect under the preceding provisions of this paragraph within the 4 week period specified in paragraph 96 (continuing reductions where state pension credit claimed), that change takes effect on the first day of the first reduction week to commence after the expiry of the 4 week period.

(9) In this paragraph—
“official error” means an error made by—
(a) the authority or a person—
(i) authorised to carry out any function of the authority relating to this scheme; or
(ii) providing services relating to this scheme directly or indirectly to the authority; or
(b) an officer of—
(i) the Department for Work and Pensions; or
(ii) the Commissioners of Inland Revenue,
acting as such, but excludes any error caused wholly or partly by any person or body not specified in paragraph (a) or (b) of this definition and any error of law which is shown to have been in error by virtue of a subsequent decision of the court;
“relevant calculation or estimate” means the calculation or estimate made by the Secretary of State of the applicant’s or, as the case may be, the applicant’s partner’s income and capital for the purposes of the award of state pension credit;
“relevant determination” means a change in the determination by the authority of the applicant’s income and capital using the relevant calculation or estimate, in accordance with paragraph 38 (1)(calculation of applicant’s income in savings credit only cases).

Date on which a change of circumstances is to take effect: persons who are not pensioners

107. (1) Except in cases where paragraph 63 (disregard of changes in tax, contributions, etc), and subject to the following provisions of this regulation, a change of circumstances which affects entitlement to, or the amount of, a reduction under this scheme (“change of circumstances”), shall take effect from the first day of the benefit week following the date on which the change actually occurs, and where that change is cessation of entitlement to any benefit under the benefit Acts, the date on which the change actually occurs shall be the day immediately following the last day of entitlement to that benefit.

(2) Subject to paragraph (3), where the change of circumstances is a change in the amount of council tax payable, it shall take effect from the day on which it actually occurs.

(3) Where the change of circumstances is a change in the amount a person is liable to pay in respect of council tax in consequence of regulations under section 13 or 80 of the 1992 Act (reduced amounts of council tax) or changes in the discount to which a dwelling may be subject under sections 11, 12 or 79 of that Act, it shall take effect from the day on which the change in amount has effect.

(4) Where the change of circumstances is an amendment to this scheme, it shall take effect from the date on which the amendment to this scheme comes into force.

(5) Where the change of circumstances is the claimant’s acquisition of a partner, the change shall have effect on the day on which the acquisition takes place.

(6) Where the change of circumstances is the death of a claimant’s partner or their separation, it shall have effect on the day the death or separation occurs.

(7) If two or more changes of circumstances occurring in the same week would, but for this paragraph, take effect in different benefit weeks in accordance with paragraphs (1) to (6) they shall take effect from the day to which the appropriate paragraph from (2) to (6) above refers, or, where more than one day is concerned, from the earlier day.

(8) Where the change of circumstances is that income, or an increase in the amount of income, other than a
benefit or an increase in the amount of a benefit under the Act, is paid in respect of a past period and there was no entitlement to income of that amount during that period, the change of circumstances shall take effect from the first day on which such income, had it been paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of these Regulations.

(9) Without prejudice to paragraph (8), where the change of circumstances is the payment of income, or arrears of income, in respect of a past period, the change of circumstances shall take effect from the first day on which such income, had it been timely paid in that period at intervals appropriate to that income, would have fallen to be taken into account for the purposes of these Regulations.

(10) The council can change an amount of a reduction under this scheme on its own initiative or on an application to change a reduction, where –
(a) there has been a change of circumstances since a reduction was awarded; or
(b) it is anticipated that a change of circumstances will occur.

This sub-paragraph applies to changes of circumstance including those which do not need to be notified under paragraph 115 of this scheme.

(11) Where –
(a) the change of circumstances is one which is required to be notified under paragraph 115 of this scheme; and
(b) it is notified more than a month after it occurs, or such longer period as may be allowed under Sub paragraph (12) and
(c) the change of circumstance would increase the amount of council tax reduction
the date on which the change was notified to the council will be treated as the date on which the change of circumstances occurred.

(12) Where the council changes a reduction awarded under this scheme, and it is advantageous to the claimant, and the change is made because the reduction, or refusal to award a reduction, was made in ignorance of, or was based on a mistake as to, some material fact, the change shall take effect from the first day of the benefit week in which the council first has information which is sufficient to show that the original decision was made in ignorance of, or was based on a mistake as to, some material fact.

(13) Where sub-paragraph (11) of this paragraph applies, a longer period of time may be allowed for the notification of a change of circumstances in so far as it affects the effective date of the change where the following provisions are satisfied –
(a) an application for the purposes sub-paragraph (12) must be made and shall –
(i) include any particulars of the change of circumstances and the reasons for the failure to notify the change at an earlier date; and
(ii) be made within 13 months of the date on which the change occurred.
(b) an application for the purpose of this sub-paragraph shall not be granted unless the council is satisfied that -
(i) it is reasonable to grant the application;
(ii) special circumstances are relevant and as a result of those special circumstances it was not possible for the claimant to notify the change of circumstances within one month of it occurring.
(c) no account shall be taken of the claimant being unaware of, or misunderstanding, the rules of this scheme.

(14) Where a change of circumstances results in a reduction reducing or ceasing, and the change occurs because the original award was based on an error on the part of the council, and the person could not reasonably have been expected to realise that the award was incorrect, the council may alter or end the award from whatever date it deems appropriate.

(15) Where a person is in receipt of, or becomes entitled to, an award of Universal Credit and any income or capital used in the calculation of that award or the award of Universal Credit itself changes, any change in the amount of Local Council Tax Support payable, will always take effect from the Monday following the start of the appropriate assessment period.

(16) The authority will determine the start of the appropriate assessment period from which the Local Council Tax Support award will change. The council may also choose what the appropriate changes and assessment periods would be, to give effect to this change. This may include taking an average of the income and Universal Credit awards over a number of assessment periods that the council deems appropriate.

(17) Where a non-dependant is in receipt of Universal Credit and has earnings, and a change in the level of earnings used in the Universal Credit award would alter the amount of the non-dependant deduction, this will
also take effect from the Monday following the start of the assessment period during which the earnings have changed.

(18) Where a person is in receipt of Universal Credit under the live service, and ceases to be entitled to Universal Credit because of the level of their earnings, they will continue to be treated as a Universal Credit claimant for any period for 6 months after the date the Universal Credit income becomes nil. In this case, any earnings, other income or capital used for any Universal Credit assessment will continue to be used in the claim for the duration of the Universal Credit assessment period and period thereafter, unless new evidence is provided or they become entitled to Universal Credit again within that period. Where a person is in receipt of Universal Credit under the live service and that entitlement ends for any other reason, the change of circumstances will take effect from the Monday following the date on which entitlement to Universal Credit ends.

(19) Where a person is no longer deemed to be a Universal Credit claimant under the full digital service the change of circumstances will take effect from the Monday following the date on which they cease to be deemed to be a Universal Credit claimant.

108. (1) Where a reduction has been incorrectly calculated to the effect that the person has received too large a reduction, or a reduction has been awarded to which there was no entitlement under this scheme, the council shall recalculate the correct amount of any reduction due up to the date the change takes effect, the council is notified or such other period as the council deems appropriate.

(2) Nothing under this paragraph would allow the authority to award a greater reduction.

(3) Where further information is required from the claimant in order to do this, sufficient information must be received to allow the council to make a recalculation within 31 days of any initial decision amending or altering the reduction.

(4) The council will determine what it considers to be sufficient information.

**PART 14**

(3) Where a person who is liable to pay council tax in respect of a dwelling is unable for the time being to act and sub-paragraph (2) does not apply to him, an authority may, upon written application made to them by a person who, if a natural person, is over the age of 18, appoint that person to exercise on behalf of the person who is unable to act, any right to which that person might be entitled under the authority’s scheme and to receive and deal on his behalf with any sums payable to him.

(4) Where the person who is liable to pay council tax in respect of a dwelling is for the time being unable to act and the Secretary of State has appointed a person to act on his behalf under regulation 33 of the Social Security (Claims and Payments) Regulations 1987 (persons unable to act), the authority may if that person agrees, treat him as if he had been appointed by them under paragraph (3),

(6) Anything required by an authority’s scheme to be done by or to any person who is for the time being unable to act may be done by or to the persons mentioned in subparagraph (2) above or by or to the person appointed or treated as appointed under this paragraph and the receipt of any such person so appointed shall be a good discharge to the authority for any sum paid.

(7) The authority must –
   (a) inform any person making an application of the duty imposed by paragraph (115)(1)(a);
   (b) explain the possible consequences (including prosecution) of failing to comply with that duty; and
   (c) set out the circumstances in which a change might affect entitlement to the reduction or its amount.

**Date on which an application is made**

111. (1) Subject to sub-paragraph (7), the date on which an application is made is—
   (a) in a case where—
      (i) an award of state pension credit which comprises a guarantee credit has been made to the applicant or his partner, and
      (ii) the application is made within one month of the date on which the claim for that state pension credit which comprises a guarantee credit was received at the appropriate DWP office, the first day of entitlement to state pension credit which comprises a guarantee credit arising from that claim;

      (ii) he becomes liable for the first time to pay council tax in respect of the dwelling he occupies as his home, and
      (iii) the application to the authority is received within one month of the date of the change, the date on which the change takes place;
   (c) in a case where—
      (i) an award of income support, an income-based jobseeker's allowance or an income-related employment and support allowance or an award of universal credit has been made to the applicant or his partner, and
      (ii) the application is made within one month of the date on which the claim for that income support, jobseeker's allowance, employment and support allowance was received. In the case of a Universal Credit claimant, the application is made within 6 weeks of the date on which the claim for that Universal Credit was received. the first day of entitlement to income support, an income-based jobseeker's allowance, an income-related employment and support allowance or universal credit arising from that claim;
   (d) in a case where—
      (i) an applicant or his partner is a person on income support, an income-based jobseeker's allowance or an income-related employment and support allowance or has an award of universal credit ,

(iii) the application is received at the authority’s offices within one month of the date of the change, the date on which the change takes place;

(e) in a case where—
(i) the applicant is the former partner of a person who was, at the date of his death or their separation, entitled to a reduction under an authority’s scheme, and
(ii) the applicant makes an application for a reduction under that scheme within one month of the date of the death or the separation, that date;

(f) except where paragraph (a), (b) or (e) is satisfied, in a case where a properly completed application is received within one month (or such longer period as the authority considers reasonable) of the date on which an application form was issued to the applicant following the applicant first notifying, by whatever means an authority of an intention to make an application, the date of first notification;

(g) where the authority is treating as an application for a reduction under this scheme, an application made at an appropriate DWP office for income support, jobseekers allowance, employment and support allowance or universal credit, which has been forwarded to the council, the date on which the person first contacted the appropriate DWP office, as long as the application for one of the benefits referred to within this paragraph was received within a month of that date.

(h) in any other case, the date on which the application is received at the offices of the authority.

(2) For the purposes only of sub-paragraph (1)(a) a person who has been awarded an income-based jobseeker’s allowance or an income-related employment and support allowance will be treated as entitled to that allowance for any days which immediately precede the first day in that award and on which he would, but for regulations made under—
(a) in the case of income-based jobseeker’s allowance, paragraph 4 of Schedule 1 to the Jobseekers Act 1995 (waiting days); or
(b) in the case of income-related employment and support allowance, paragraph 2 of Schedule 2 to the Welfare Reform Act 2007 (waiting days), have been entitled to that allowance.

(3) Where a claim is treated as defective when applying by phone and—
(a) is corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it the authority will treat the application as if it had been duly made in the first instance;
(b) is not corrected within one month (or such longer period as the authority considers reasonable) of the date the authority last drew attention to it, the authority will treat the application as if it had been duly made in the first instance where it considers it has sufficient information to decide on the application.

(4) An authority must treat a defective application as if it had been validly made in the first instance if, in any particular case, the conditions specified in sub-paragraph (5)(a), (b) or (c) are satisfied.

(5) The conditions are that—
(a) where paragraph 4(a) of Schedule 1 (incomplete form) applies, the authority receives at its designated office the properly completed application or the information requested to complete it or the evidence within one month of the request, or such longer period as the authority may consider reasonable; or
(b) where paragraph 4(b) of Schedule 1 (application not on approved form or further information requested by authority) applies—
(i) the approved form sent to the applicant is received at the designated office properly completed within one month of it having been sent to him; or, as the case may be,
(ii) the applicant supplies whatever information or evidence was requested under paragraph 4 of that Schedule within one month of the request, or, in either case, within such longer period as the authority may consider reasonable; or
(c) where the authority has requested further information, the authority receives at its offices the properly completed application or the information requested to complete it within one month of the request or within such longer period as the authority considers reasonable.
(6) Except in the case of an application made by a person treated as not being in Great Britain, where a person has not become liable for council tax to an authority but it is anticipated that he will become so liable within the period of 8 weeks (the relevant period), he may apply for a reduction under that authority’s scheme at any time in that period in respect of that tax and, provided that liability arises within the relevant period, the authority will treat the application as having been made on the day on which the liability for the tax arises.

(7) Except in the case of an application made by a person treated as not being in Great Britain, where the applicant is not entitled to a reduction under an authority’s scheme in the reduction week immediately following the date of his application but the authority is of the opinion that unless there is a change of circumstances he will be entitled to a reduction under its scheme for a period beginning not later than—

(a) in the case of an application made by—
   (i) a pensioner, or
   (ii) a person who has attained, or whose partner has attained, the qualifying age for state pension credit,
   the seventeenth reduction week following the date on which the application is made, or

(b) in the case of an application made by a person who is not a pensioner, the thirteenth reduction week following the date on which the application is made,

The authority may treat the application as made on a date in the reduction week immediately preceding the first reduction week of that period of entitlement and award a reduction accordingly.

(8) In this paragraph “appropriate DWP office” means an office of the Department for Work and Pensions dealing with state pension credit or an office which is normally open to the public for the receipt of claims for income support, a jobseekers allowance, or an employment and support allowance.

112. Back-dating of applications: pensioners and persons who are not pensioners

112A.(1) Subject to sub-paragraph (2), the time for the making of an application under the scheme for a pensioner is as regards any day on which, apart from satisfying the condition of making an application, the applicant is entitled to such a reduction, that day and the period of three months immediately following it.

(2) In any case where paragraph 111 (1) (a) applies, sub-paragraph (1) does not entitle a person to apply for a reduction under an authority’s scheme in respect of any day earlier than 3 months before the date on which the claim for state pension credit is made (or treated as made by virtue of any provision of the Social Security (Claims and Payments) Regulations 1987).

112B: Persons who are not pensioners

(1) Where an applicant who is a person who is not a pensioner—
   (a) makes an application under this scheme which includes (or which he subsequently requests should include) a period before the application is made; and
   (b) from a day in that period, up to the date he made the application (or subsequently requested that the application should include a past period), the applicant had continuous good cause for failing to make an application (or request that the application should include that period),

the application is to be treated as made on the date determined in accordance with sub-paragraph (2).

(2) That date is the latest of—
   (a) the first day from which the applicant had continuous good cause;
   (b) the day 1 month before the date the application was made;
   (c) the day 1 month before the date when the applicant requested that the application should include a past period.

Information and evidence

113. (1) Subject to sub-paragraph (3), a person who makes an application for a reduction under this scheme must satisfy sub-paragraph (2), in relation to both himself and to any other person in respect of whom he is making the application.

(2) This sub-paragraph is satisfied in relation to a person if—
   (a) the application is accompanied by—
      (i) a statement of the person’s national insurance number and information or evidence establishing that that number has been allocated to the person; or
      (ii) information or evidence enabling the authority to ascertain the national insurance number that has been allocated to the person; or

(3) Sub-paragraph (2) does not apply—

(5) Nothing in this paragraph requires a person who is a pensioner to furnish any certificates, documents, information or evidence relating to a payment to which sub-paragraph (7) applies.

(6) Where the authority makes a request under sub-paragraph (4), it must—
(a) inform the applicant or the person to whom a reduction under its scheme has been awarded of his duty under paragraph 115 (duty to notify change of circumstances) to notify the authority of any change of circumstances; and
(b) without prejudice to the extent of the duty owed under paragraph 9, indicate to him either orally or by notice or by reference to some other document available to him on application and without charge, the kind of change of circumstances which is to be notified.

(7) This sub-paragraph applies to any of the following payments—
(a) a payment which is—

(8) Where an applicant or a person to whom a reduction under this scheme has been awarded or any partner has attained the qualifying age for state pension credit and is a member of, or a person deriving entitlement to a pension under, a personal pension scheme, he must where the authority so requires furnish the following information—
(a) the name and address of the pension fund holder;
(b) such other information including any reference or policy number as is needed to enable the personal pension scheme to be identified.

Amendment and withdrawal of application
114.—(1) A person who has made an application may amend it at any time before a decision has been made on it by a notice in writing delivered or sent to the designated office.
(2) Where the application was made by telephone in accordance with Part 1 of Schedule 1 the amendment may also be made by telephone.
(3) Any application amended in accordance with sub-paragraph (1) or (2) is to be treated as if it had been amended in the first instance.
(4) A person who has made an application may withdraw it by notice to the designated office at any time before a decision has been made on it.
(5) Where the application was made by telephone in accordance with Part 1 of Schedule 1, the withdrawal may also be made by telephone.
(6) Any notice of withdrawal given in accordance with sub-paragraph (4) or (5) has effect when it is received.
(7) Where a person, by telephone, amends or withdraws an application the person must (if required to do so by the authority) confirm the amendment or withdrawal by a notice in writing delivered or sent to the designated office.

Duty to notify changes of circumstances

115.—(1) Subject to sub-paragraphs (3) and (9), the applicant (or any person acting on his behalf) must comply with sub-paragraph (2) if there is a relevant change of circumstances at any time—
(a) between the making of an application and a decision being made on it, or
(b) after the decision is made (where the decision is that the applicant is entitled to a reduction under this scheme) including at any time while the applicant is in receipt of such a reduction.
(2) The applicant (or any person acting on his behalf) must notify any change of circumstances which the applicant (or that person) might reasonably be expected to know might affect his entitlement to, or the amount of, a reduction under this scheme (a “relevant change of circumstances”) by giving notice to the authority—
(a) in writing; or
(b) by telephone—
(i) where the authority has published a telephone number for that purpose or for the purposes of Part 1 of Schedule 1 unless the authority determines that in any particular case or class of case notification may not be given by telephone; or
(ii) in any case or class of case where the authority determines that notice may be given by telephone; or
(c) by e-mail; or
(d) by any other means which the authority agrees to accept in any particular case, within a period of 21 days beginning with the day on which the change occurs, or as soon as reasonably practicable after the change occurs, whichever is later.
(3) The duty imposed on a person by sub-paragraph (1) does not extend to notifying—
(a) changes in the amount of council tax payable to the authority;
(b) changes in the age of the applicant or that of any member of his family;
(c) in the case of an applicant in receipt of a relevant benefit, changes in circumstances which affect the amount of the benefit but not the amount of the reduction under this scheme to which he is entitled, other than the cessation of that entitlement to the benefit.
(4) For the purposes of sub-paragraph (3)(c) “relevant benefit” means income support, an income-based jobseeker’s allowance or an income-related employment and support allowance or universal credit.
(5) Notwithstanding sub-paragraph (3) (b) or (c) an applicant is required by sub-paragraph (1) to notify the authority of any change in the composition of his family arising from the fact that a person who was a member of his family is now no longer such a person because he has ceased to be a child or young person.
(6) The duty imposed on a person by sub-paragraph (1) includes in the case of a person falling within class C (pensioners: alternative maximum council tax reduction) giving written notice to the authority of changes which occur in the number of adults in the dwelling or in their total gross incomes and, where any such adult ceases to be in receipt of state pension credit, the date when this occurs;
(7) A person who has been awarded a reduction under this scheme who is also on state pension credit must report—
(a) changes affecting the residence or income of any non-dependant normally residing with the applicant or with whom the applicant normally resides;
(b) any absence from the dwelling which exceeds or is likely to exceed 13 weeks or where the absence is from Great Britain, which exceeds or is likely to exceed 4 weeks.
(8) In addition to the changes required to be reported under sub-paragraph (7), a person whose state pension credit comprises only the savings credit must also report—
(a) changes affecting a child living with him which may result in a change in the amount of reduction under this scheme allowed in his case, but not changes in the age of the child;

(b) any change in the amount of the applicant’s capital to be taken into account which does or may take the amount of his capital to more than £16,000;

(c) any change in the income or capital of—

(i) a non-dependant whose income and capital are treated as belonging to the applicant in accordance with paragraph 36 (circumstances in which income of a non-dependant is to be treated as applicant’s); or

(ii) a person to whom paragraph 38(2)(e) (partner treated as member of the household under paragraph (8)) refers,

and whether such a person or, as the case may be, non-dependant stops living or begins or resumes living with the applicant.

(9) A person who is entitled to a reduction under this scheme and on state pension credit need only report to the authority the changes specified in sub-paragraphs (7) and (8).

PART 15

(a) in the case of a decision on an application, forthwith or as soon as reasonably practicable thereafter;

(b) in any other case, within 14 days of that decision or as soon as reasonably practicable thereafter.

(2) Where the decision is to award a reduction the notification under sub-paragraph (1) must include a statement—

(a) informing the person affected of the duty imposed by paragraph 115(1);

(b) explaining the possible consequences (including prosecution) of failing to comply with that duty; and

(c) setting out the circumstances a change in which might affect entitlement to the reduction or its amount.

(3) Where the decision is to award a reduction, the notification under sub-paragraph (1) must include a statement as to how that entitlement is to be discharged.

(4) In any case, the notification under sub-paragraph (1) must inform the person affected of the procedure by which an appeal may be made and must refer the person to the provisions in this scheme relating to the procedure for making an appeal.

(5) A person affected to whom the authority sends or delivers a notification of decision may, within one month of the date of the notification of that decision request in writing the authority to provide a written statement setting out the reasons for its decision on any matter set out in the notice.

(6) The written statement referred to in sub-paragraph (5) must be sent to the person requesting it within 14 days or as soon as reasonably practicable thereafter.

(7) For the purposes of this paragraph a person is to be treated as a person affected by a decision of the authority under this scheme where the rights, duties or obligations of that person are affected by that decision and the person falls within sub-paragraph (8).

(a) the applicant;

(b) in the case of a person who is liable to pay council tax in respect of a dwelling and is unable for the time being to act—

(a) a person is entitled to a reduction under this scheme in respect of his liability for the authority’s council tax as it has effect in respect of a financial year;
(b) the person entitled to the reduction is jointly and severally liable for the council tax; and
(c) the authority determines that discharging his entitlement by reducing the amount of his liability to which regulation 20(2) of the Council Tax (Administration and Enforcement) Regulations 1992 refers would be inappropriate,
it may make a payment to him of the amount of reduction to which he is entitled, rounded where necessary to the nearest pound.
(2) Subject to sub-paragraph (3), any payment made under sub-paragraph (1) must be made to the person who is entitled to the reduction.
(3) Where a person other than the person who is entitled to the reduction under this scheme made the application for the reduction and that first person is a person acting pursuant to an appointment under paragraph 110(3) or is treated as having been so appointed by virtue of paragraph 110(4), the amount of the reduction may be paid to that person.

PART 17
Transitional arrangements

Any such arrangements are set out in Schedule 11 of this scheme or in regulations prescribed by the Secretary of State.
(2) Where Gateshead Council revises or replaces this scheme in accordance with Schedule 1A of the LGFA 1992, and such a revision or replacement has the effect of reducing or removing a reduction, the council will consider whether it is appropriate to include any transitional provision relating to that revision or replacement as it sees fit. The terms of any such provision will be set out in Schedule 11.
(3) Where Gateshead Council revises or changes this scheme for any of the reasons set out in the “Changes to the scheme” paragraph on page 3 of this document, it will consider whether it is appropriate to include any transitional provision relating to that change and will set out the terms of any such provision in Schedule 11.

(8) For the purposes of sub-paragraph (2)(a)(iii) and (b)—

(a) no account is to be taken of an award of carer’s allowance to the extent that payment of such an award is back-dated for a period before the date on which the award is first paid; and
(b) references to a person being in receipt of a carer’s allowance or as having an award of universal credit which includes the carer element include reference to a person who would have been in receipt of that allowance or had such an award of universal credit but for the application of a restriction under section 6B or 7 of the Social Security Fraud Act 2001(a) (loss of benefit).

(b) in a case within sub-paragraph (2)(b), the date on which that person who was entitled to a carer’s allowance ceases to be entitled to it.

(4) For the purposes of this paragraph, a person is to be treated as being entitled to and in receipt of a carer’s allowance for any period not covered by an award but in respect of which a payment is made in lieu of an award.

**Persons in receipt of concessionary payments**
10. For the purpose of determining whether a premium is applicable to a person under paragraphs 6 to 9, any concessionary payment made to compensate that person for the non-payment of any benefit mentioned in those paragraphs is to be treated as if it were a payment of that benefit.

Person in receipt of benefit
11. For the purposes of this Part of this Schedule, a person is to be regarded as being in receipt of any benefit if, and only if, it is paid in respect of him and is to be so regarded only for any period in respect of which that benefit is paid.
