PRIVATE HIRE VEHICLE LICENCES

Local Government (Miscellaneous Provisions) Act 1976

This document contains legislation, policy and conditions relating to your licence.

LEGISLATION AND POLICY

Please note, this section reminds you of some of the important legal requirements with which you must comply. This is not a comprehensive list. You should familiarise yourself with the Local Government (Miscellaneous Provisions) Act 1976 and all other relevant legislation.

The Local Government (Miscellaneous Provisions) Act 1976 at Section 48(2) permits the Council to attach conditions to the grant of a Private Hire Vehicle Licence, as it may consider reasonably necessary.

Section 48(2) of the 1976 Act also permits the Council to attach conditions requiring or prohibiting the display of signs on or from the vehicle to which the licence relates.

Section 48(7) of the same Act gives the right of appeal to the Magistrates' Court to any person aggrieved by any of the **conditions** attached to their Private Hire Vehicle Licence. Such appeal must be made within 21 days of receipt of the licence.

Failure to comply with any legislation is an offence, and you may be prosecuted.

Failure to comply with the Council's conditions may result in your Private Hire Vehicle licence being suspended or revoked.

The Principal Office for the purpose of the Local Government (Miscellaneous Provisions) Act 1976 is The Licensing Section, Regulatory Services, Civic Centre, Regent Street, Gateshead.

You must maintain a policy of insurance for your licensed vehicle in accordance with Section 143 of the Road Traffic Act 1988.

If your vehicle has an accident which results in damage which may affect its safety, performance or appearance or the comfort or convenience of your passengers you must report this to the Council within 72 hours. (Section 50(3) of Local Government (Miscellaneous Provisions) Act 1976)

You must not obstruct any Authorised Officer or Police Officer. You must provide any assistance or information he may reasonably require. (Section 73 Local Government (Miscellaneous Provisions) Act 1976)

Any person driving a Private Hire Vehicle must be licensed to drive a Private Hire Vehicle under Section 51 Local Government (Miscellaneous Provisions) Act 1976, even if the vehicle is not being used for private hire purposes. (Section 46(b) and (c) Local Government (Miscellaneous Provisions) Act 1976)

GENERAL

The licence expires 12 months from the date of issue. Any application for renewal must be made at least 14 days before the licence expires.

The licence is issued to you and it cannot be transferred without the Council's written consent. The renewal of the licence will be at the Council's discretion. Application for transfer must be made in writing and indicate the consent of all interested parties.

If any information given by you on the application form for this licence proves to be false, the licence may be revoked.

THE VEHICLE INSPECTION

A licence will be granted or renewed only if the vehicle is considered by the Local Environmental Services Department to be roadworthy and fit for purpose.

If an officer is not satisfied that a vehicle is fit for use as a private hire vehicle, the officer may remove the licence plate and transfers, and return them only when (s)he is satisfied as to the condition of the vehicle.

It is the responsibility of the licensee to ensure that the vehicle is presented for test at the time indicated. Any vehicle that is presented after this time will not be inspected.

You may cancel a test appointment only if you provide at least two working days notice (excluding Saturday, Sunday and Bank Holidays) to the Licensing Section, Civic Centre, Regent Street, Gateshead.

If you fail to present a vehicle for a scheduled test, you may have to pay a test fee before any further test appointment will be allocated.

If the vehicle fails a Local Environmental Services test, the licence plate will be removed. The return of the plate, and issue of a licence, will be conditional on the vehicle passing a retest in accordance with instructions from Local Environmental Services.

AGE OF VEHICLES

When first registered with Gateshead Council as a Private Hire Vehicle, no vehicle shall be more than three years old.

No vehicle more than eight years old will be permitted to continue as a licensed private hire vehicle.

The age of the vehicle will be determined as follows –

- (i) if not previously used on a road anywhere in the world: date of first registration with DVLA
- (ii) if previously used on a road anywhere in the world (e.g. an imported vehicle): the date of manufacture.

DOCUMENTS

A vehicle licence will only be issued where the vehicle has evidence of a:

- (a) Valid vehicle insurance certificate specifically stating that the vehicle is to be used for hire or reward
- (b) A Certificate of Mechanical Compliance Test from Local Environmental Services
- (c) V5 vehicle registration document. In case of a new vehicle the sales invoice which must show engine and chassis numbers, shall be produced at the time of application. The registration document shall be produced when it is received from DVLA. The registration document must in all cases be produced within 6 weeks of the licence being issued.

Before or on the date of expiry of any certificate the certificate about to expire shall be produced together with the relevant renewal certificate to an Authorised Officer.

All documentation must be originals.

ENGINE/CHASSIS NUMBERS

The Chassis/Vehicle Identification Number Plate and engine numbers must match the numbers recorded with the DVLA. Vehicle applications cannot be accepted without a copy of the vehicle registration document, or in the case of new vehicle purchase, the sales documentation indicating the engine and chassis numbers. In the event of a vehicle being presented with numbers that do not correspond to the paperwork the Council will inform the Police Vehicle Identification Section who may undertake checks to ensure the vehicle is not stolen.

SURRENDER AND GRANT OF LICENCES

If you wish to change the vehicle on your licence the following procedures must be followed:

- (a) You must complete an application form for the “new” vehicle.
- (b) You must pay the stated fee for a 12-month period.
- (c) You must surrender the original licence. Any refund against a licence will be calculated by the Council, taking into account the period of time for which the licence has been held and the

administration costs incurred, and shall be subject to a de minimis level of £50, under which no refund will be made.

- (d) Your new vehicle must be presented for test and subsequently pass.
- (e) Written proof of consent to the change of vehicle must be provided from all interested parties.
- (f) You must maintain and produce evidence of a continuous policy of insurance, which clearly states that the vehicle is to be used for hire or reward.

The deposit paid for your licence plate will only be refunded if the plate is returned to the Council in a satisfactory condition.

The Council may, at its discretion and subject to such fees as are from time to time agreed, retain licence plates for safe-keeping in the case of illness or for other short-term reasons. If this period lasts more than 90 days a written request must be submitted to the Council. Such a request must fully explain the reasons for the request to retain the plate and give a date for resumption of use as a Private Hire Vehicle. The Head of Regulatory Services reserves the right to cancel any licence plate if the plate has been held in this manner for more than 180 days.

LETTING / LEASING OF VEHICLE

Should you enter into a leasing arrangement you will remain on the vehicle licence as a person with a beneficial interest in the vehicle and will still be jointly responsible for the vehicle.

ADVERTISEMENTS

Advertisements may be displayed in or from the vehicle subject to such advertising complying with the British Code of Advertising Practice and with the approval of the Licensing and Enforcement Manager. All requests for permission to advertise on a vehicle must be forwarded to the Council, **before** the advert is put on the vehicle.

Generally only one advert will be allowed to be applied to any vehicle. Any request for further adverts must be made in writing, and will be at the discretion of the Licensing and Enforcement Manager.

SEATING ARRANGEMENTS

Any seating arrangement other than that approved by the Licensing and Enforcement Manager shall cause for the suspension of the licence.

WARNING NOTICE

If there is anything in the design, construction, form or working appearance of a vehicle which, in the opinion of the Council or its authorised officers or testers renders the vehicle unfit for private or public hire use, then Gateshead Council will not licence that vehicle.
