Fairtrade is a strategy for poverty alleviation and sustainable development. Its purpose is to create opportunities for producers and workers who have been economically disadvantaged or marginalised by the conventional trading system.

Free Range Eggs

Freedom Food is the RSPCA's farm assurance and food labelling scheme. It aims to improve the welfare of animals farmed for our food. The British Lion mark on egg shells and egg boxes means that the eggs have been produced to the highest standards of food safety.

The Soil Association's Food for Life award assures our customers that we are serving local, fresh and honest food cooked by well-trained teams in a setting that takes children's health and well-being seriously. It ratifies our promise that the majority of food on our menu is freshly prepared using ingredients from sustainable and ethical sources, and is free from undesirable trans fats, sweeteners and additives.
