Admission to Secondary School (2019)

LORD LAWSON OF BEAMISH ACADEMY ADMISSIONS POLICY

Introduction

We, at Lord Lawson of Beamish Academy, allocate places at our Academy using the *Gateshead Community Secondary Academy Admissions Policy*. We consult the Governing Body each year about this policy and arrange admissions to our Academy using the Co-ordinated Admission Scheme. We will also use this policy and scheme when deciding the allocation of places for In Year transfer/casual admissions to the school.

The admission policy is as follows:

Lord Lawson of Beamish Academy will:

- Admit students between the ages of 11 and 19.
- Accept students up to the Academy's agreed planned admission number for the year.
- Normally admit students who have been referred for placement at a particular school/Academy through the Pupil Placement Panel who determine some admissions under the Fair Access protocol.

Oversubscription Criteria

We will consider applications from parents who have named the Academy as any ranked preference on their application form; this is referred to as the equal preference system. If the number of applications outweigh the number of places available at the Academy, we will then allocate places by using the following order of priority:

1. Children in Public Care (as defined under section 22 of the Children Act 1989) including a child who was previously "looked after" but ceased to be so because they were adopted (or became subject to a child arrangements order or special guardianship order).
2. Children who live in the Academy's catchment area.
3. Children who will have a brother or sister at the Academy during the coming academic year.
4. Other children who have exceptional medical and social grounds see point 1 below.
5. Children of School Staff
6. All other children.

Point 1 – We can consider individual applications in cases involving exceptional medical or social needs. This kind of application must be supported in writing from relevant registered health professionals i.e. a doctor or social worker. The evidence must demonstrate why the chosen school is the most suitable and what difficulties would be caused if the child were to attend another school.

We will not consider such applications if the relevant evidence is not provided. If provided the evidence will be assessed by the LA Admission panel. No assumption should be made that submission of the relevant evidence will, in itself, be sufficient to allocate a place.

Tie Breaker

If within any of the above criteria there are more applications than places available priority will be given to those children based on the distance they live from the school, measured 'as the crow flies' in a straight line from the centre of the home residence to the Academy's main entrance. Children living nearest to the Academy will have priority. Where two or more applications share the exact same distance, a random allocation process will be used to determine the ranked order of the applications in question.

Sibling Link

For your child to receive priority because of an older brother or sister in the sixth form at the school, the brother or sister must have been at the school at the start of Year 11.

Address

For the purposes of deciding whether a child lives in the catchment area of a school we will use the parent or guardians address or the address of a relevant adult who has parental responsibility, as defined under the 1989 Children Act, for the child.

Waiting List

If places become available we will consider all relevant applications using a waiting list. The waiting list will be maintained by the council from the start of the academic year. All applications on the waiting list are placed according to the admission criteria and priorities set out above. However children who are the subject of a direction to admit by the LA or who have been referred for admission and have been allocated a place through the Fair Access Protocol will take precedence over any child on the waiting list.

Community Secondary Schools Sixth Form Admission Policy

September 2019, Applications for Year 12

Lord Lawson of Beamish Academy provides courses of study for post 16 (6th Form) students. The majority of the 6th form students transfer from Year 11, but we generally have places available for external students.

The entry requirements for 6th form are largely dependent on the course of study that a student wishes to access. They are the same for internal and external students.

In general, students wishing to access Advanced Level courses must possess a minimum of 5 GCSEs at grade C. To access intermediate Level courses, some GCSE passes at grade D/E and/or appropriate Level 1 qualification(s) are required. There are no specific qualifications required for entry to Foundation Level courses.

Details of specific entry requirements and courses available may be obtained from the school. The availability of courses is dependent upon the number of applicants and the financial sustainability of the course and the governing body of the school determines this in consultation with the LA.

In the event of oversubscription priority will be given to:

1. Students who have attended the Academy in the previous academic year (during Year 11) and who satisfy the Academy's entry requirements for the course available.
2. All other students of the relevant age who satisfy the Academy's entry requirements for the course available.

Where there are more applicants than places available in any of the priorities above, we will then give priority to children in the following order:

- a) Children in Public Care (and as deemed under Section 22 of the Children Act 1989) including a child who was previously "looked after" but immediately after being "looked after" became subject to an adoption, residence, or special guardianship order.
- b) Students who live in Academy's catchment area.
- c) Students who will have a brother or sister at the Academy during the coming academic year.
- d) All other students.

Applicants refused admission to a 6th form are entitled to appeal to an independent appeals panel.
